Sun Chlorella Corporation

Sun Chlorella signed partnership agreement with
Tokai University Basketball team “SEAGULLS”.
~Supporting player’s conditioning from nutritional
standpoint.~

Sun Chlorella Corporation (Headquarters in Shimogyo-ku, Kyoto, President and CEO: Futoshi Nakayama, hereinafter referred to as “SCC”) signed partnership agreement with Tokai University Men’s Basketball team “SEAGULLS”. SCC will support them with various perspectives as becoming top sponsor of their uniform and provide Sun Chlorella products to players and staff as the “Official Superfood of the TOKAI UNIVERSITY SEAGULLS.”

The SEAGULLS won the 72nd All Japan Intercollegiate Basketball Championship last year for the sixth time in two years, and has achieved excellent results in many domestic tournaments. The team has produced several Japanese national players, as well as players who belong to the B.LEAGUE professional basketball team.

SCC sympathized with the SEAGULLS’ brilliant achievements and the team which symbolizes college basketball in Japan, also the philosophy that Mr. Akira Rikukawa, Head coach, has embodied for more than 20 years to build the team. SCC concluded on partnership agreement with hoping to support their condition that will allow them to perform at a high level even during the continuous game schedule that is characteristic of college basketball in Japan, and to support them for building a long and healthy career as a player.

SCC will continue to help any athletes to make them stay healthy both physically and mentally, and to achieve their best performance.

[Mr. Akira Rikukawa, Head coach of SEAGULLS]

SEAGULLS helps and respects each other to climb the technical and mental mountains and aim to go for the top of mountain as champion with players and staff together of one mind. In addition, the strengthening of physical contact is essential in modern basketball, and we are very grateful to have SCC’s support for nutritional conditioning through our partnership agreement. I am very much looking forward to working with SCC to bring smiles and excitement to everyone.

【Mr. Rei Ito, Captain of SEAGULLS】

This year's goal is to beat B1 team and also win the All Japan Intercollegiate Basketball Championship in a row. We appreciate that SCC supports our health conditioning to achieve this goal. We aim to develop the world of basketball and college sport during this big challenge with creating new history together with SCC which is historical company.
